Personal Business Assistance

How would your business cope if you were off ill?

Let our team take care of things

If poor health ever keeps you away from work, anxiety about how everyone else is coping is the last thing you need. With our Personal Business Assistance service, we'll ease some of your worries while you get on with recovering.

If your illness means you need a stay in a hospital, or if it becomes difficult to keep up contact with your customers and suppliers, we'll help you stay in touch. The service includes:

- responding to phone queries
- sending and forwarding emails
- writing letters
- sending faxes.

We'll stay on top of the paperwork so you can concentrate all your energy on getting well again.

As a Chamber of Commerce member, you get Personal Business Assistance included in your Chamber Business Healthcare for no extra cost.

Stay in touch

We'll help you stay in touch with your customers, suppliers and prospects.

One call sets us to work

Just call to let us know if you find your health is stopping you from staying in touch and we can start supporting you immediately.

Health at Hand

Expert health information you can trust when your health worries are keeping you awake at night.

Health information 24/7

Few things matter more than the health of you and your family, so when you've got a nagging health worry, it can be hard to focus on your work. But how do you know what information to trust, or when it's time to make a trip to the doctors?

With Health at Hand, our qualified nurses, counsellors, midwives and pharmacists, are here to answer your questions. All calls are handled in complete confidence.

You can call about a wide range of issues including:

- family health, from childhood infections to teenage troubles
- health issues
- pills and prescriptions
- information on travelling healthily
- health and fitness.

Our team of nurses and counsellors are there for you and your employees round the clock, with midwives and pharmacists available during the day. They'll also send you information and give you a follow-up call if you need it.

You get Health at Hand included in your Chamber Business Healthcare for no extra cost.

Medical experts

Health at Hand is staffed by qualified nurses, counsellors, midwives and pharmacists.
